SUMMERFEST

DONOR & SPONSORSHIP OPPORTUNITIES

In celebration of America 250, BDAC's Summerfest 2026 reflects the spirit of *E Pluribus Unum*—out of many, one.

A Festival Rooted in Community and Culture

Summerfest is a two-day celebration of creativity that welcomes thousands of visitors to experience live performances, local artists, and hands-on arts engagement. From traditional cultural dance to contemporary music and visual art, the festival reflects the richness and diversity of our region.

Each year, Summerfest features:

- Live performances across multiple genres
- Local artists and artisan vendors
- Interactive art activities for all ages
- Free admission, ensuring accessibility for the entire community

More than a festival, Summerfest is a point of connection—bringing together families, artists, and neighbors in a shared space of creativity. It supports local artists, activates downtown Bountiful, and reinforces the arts as an essential part of civic life.

In the spirit of E Pluribus Unum—out of many, one—Summerfest brings diverse cultural traditions into a shared community experience.

Celebrating 50 Years

Many cultures. One community.

Summerfest is one of BDAC's most visible and widely attended programs, drawing audiences from across Davis County and beyond. As one of the longest-running cultural events in the region, it fosters unity, education, and artistic appreciation through shared experiences.

Sponsors play a critical role in sustaining this work—ensuring that artists are supported, performances are presented, and the event remains free and accessible to the public.

“Summerfest is where you see families, artists, and neighbors sharing something meaningful. It’s not just an event; it’s a reflection of who we are.”

By sponsoring Summerfest, you are investing in:

- Expanding access to the arts for all
- Supporting artists and cultural tradition bearers
- Strengthening community connection
- Sustaining a 50-year legacy of cultural engagement
