MAIN GALLERY

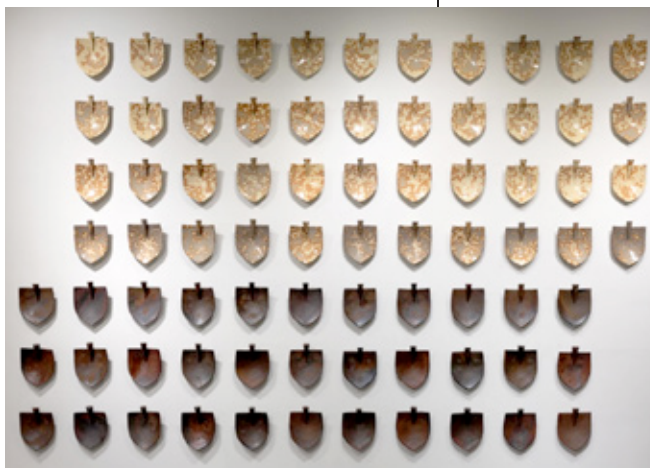

The cornerstone of BDAC's exhibition program, the Main Gallery presents professionally curated exhibitions that connect art with the ideas shaping our world. In 2027, exhibitions exploring design and food invite audiences to consider creativity through familiar experiences, while the Statewide Emerging Artists' Annual celebrates the next generation of Utah artists.

Dedicated to Utah artists, these galleries provide professional opportunities for solo and small-group exhibitions. From emerging voices to established practitioners, each exhibition builds visibility, strengthens artistic careers, and introduces audiences to the breadth of creative talent in our region.
